NoCap: Fact Checking with AI Milestone 4

Anthony Ciero, Joshua Pechan, Varun Doddapaneni, Thomas Chamberlain
Faculty Advisor: Professor Silaghi

Milestone 4 Matrix

Task	Completion	Thomas	Anthony	Josh	Varun
1. Improve model output via prompt engineering	75%	0%	0%	0%	100%
2. Show default home page cards	100%	40%	0%	60%	0%
3. Article data connection to report page via input	100%	0%	0%	0%	100%
4. Create logo and branding	100%	60%	40%	0%	0%
5. Chrome extension	100%	0%	80%	0%	20%

Improve model output via prompt engineering

- Improved prompting to ensure article scores are more consistent
- Gave model more direction on how to approach scoring
- Will continue to improve prompting by bringing more of a grading methodology
